

Orangeville Trailway Buy-a-Metre Campaign

Orangeville's best kept secret is its growing trail system. Since 1998 the Town of Orangeville has built 8-km of multi-use trail, mostly in the west end of town. Our goal is to form a 15-km recreational loop around town, eventually linking our trail to Island Lake, Monora Park and the Credit River trail.

So far we're half way there

In 2006, The Optimist Club, with the financial support of the Ontario Trillium Foundation, which is providing almost 50% of the funding, is building a section of trail from Fourth Ave. and Highway 10, south to Rotary Park and Sherbourne Street. Construction starts this spring.

The Ontario Trillium Foundation, an agency of the Ministry of Culture, receives annually \$100 million of government funding generated through Ontario's charity casino initiative. The Foundation provides grants to eligible charitable and not-for-profit organizations in the arts and culture, environment, human and social service and sports and recreation sectors.

Help us finish the job!

Orangeville residents are being asked to support this project of the Optimist Club to expand the Orangeville Trail.

If you buy one metre or more of trail for \$50.00, you will have your name or the name(s) of anyone you choose permanently inscribed in the East End Trail Pavilion in Dragonfly Park.

Corporate sponsorships are also welcomed, starting at \$250.00.

Each contributor will be given a receipt, in the full amount, for income tax purposes and be officially acknowledged with a trail ownership certificate in the name of your choice.
